Dear Dr. Wilde:

Thank you for your participation in the Defense Advanced Research Projects Agency (DARPA) Urban Challenge and the submission of your site-visit video.

Team BYUC has been selected to receive a site visit by DARPA officials in June 2007 to evaluate your vehicle, as described in the Urban Challenge Site Visit Guidelines. You will be contacted by a DARPA representative to coordinate specific arrangements.

This site visit is an important part of the Urban Challenge competition. There are many excellent contenders, as I witnessed from the videos, and only a select few will go on.

Sincerely,
